Dear Mr. Lesar:

By memorandum dated July 23, 1987, the FOI/PA unit of the FBI referred to us for appropriate processing a document originated by this Office which surfaced in a review of FBI files responsive to your FOI/PA request #245,852.

Based on my review of this document, which bears FBI serial #62-117290-1452, I have determined that it is exempt from mandatory release in that it is an intra-agency communication. 5 USC 552 (b)(5). However, I have further determined that it is appropriate for discretionary release, and have enclosed a copy.

We appreciate your patience.

Sincerely,

Richard M. Rogers
